

# SCOTT SAWYER -- Music & Guitar Instruction

I value clear communication; please read all that follows and know that I am happy to address any questions or concerns that you may have.

I encourage most students to take a weekly lesson when possible. Weekly students typically advance more quickly, even when they've had limited time to practice.

## CANCELLATION POLICY

- I do not issue refunds or "rollover payment" for missed sessions to a subsequent month.
- I will make up missed sessions when notified one day in advance of scheduled lesson. Please phone me 1st (no later than 11pm, leave a message if necessary) and follow up with an e-mail.
- Genuine "day-of-session emergency cancellations" (including illness) will receive special consideration; *one per calendar month only*.

I'll make up missed sessions by:

- scheduling additional session(s) as time allows.
- when possible, adding missed time onto subsequent "paid-for" sessions(s).
- missed sessions must be made-up within 60 days or they will be forfeited.

## LESSONS IN MY HOME STUDIO

- Advance Payment for the calendar month guarantees your place on my schedule (and saves you money). If you choose this option, payment is due for the coming month on the last lesson of the current month. Cash or NC personal check only.
- You may record your session...or, I can record and convert it to a .wav or .mp3 that you take with you (*no additional charge if you provide a memory stick/jump drive*).

*Note to "Weekly Students":* in months with a 5th week, that session is optional--you are not required to attend/pay for the 5th session (if you attend the session, standard rates apply). You may use the 5th week for a make-up session.

1. Four 45-minute sessions per calendar month, \$180 (\$60 per hour). Advance payment for entire month required.
2. Four 1-hour sessions per calendar month, \$200 (\$50 per hour). Advance payment for entire month required.
3. Pay "BY THE LESSON": \$60 for 1 hour. \$110 for 2 hours. CASH ONLY (no checks). Longer sessions available as schedules allow, please phone for info.

## LESSONS IN YOUR HOME
